Memo
To: Files
From: Pat Butenis
Subject: Sullivan
Date: February 18, 1983

I called Alex Peltier of CA/OCS/EMR this morning to obtain the following information. The remains are to be shipped to DR. FREDERICK T. ZUGIBE, OFFICE OF THE MEDICAL EXAMINER, ROCKLAND COUNTY HEALTH COMPLEX, POMONA, NEW YORK 10970, telephone 914-354-0200 or 914-354-1333.

Dr. Zugibe is out of the city for the next few days and his deputy, James Costello, is fully aware of the situation.

Alex felt that the US health and Customs regulations would present no problems, assuming that the funeral home here followed the usual procedures for shipping remains out (i.e., had all the necessary paperwork).

Alex will call us as soon as Torecelli's office makes funds available to the Dept. (They are expected to do this sometime this morning.) We will be able to use the same account numbers we have been using for the Sullivan ads.
